My Roles

Here is where all Roles that have been assigned to you will be displayed and linked (as long as they have an online element).

You may therefore see Roles other than Referee displayed here, however please **only select the Referee Administration** in order to access the Reporting process.

The screenshot shows the 'WHOLE GAME SYSTEM' dashboard. At the top left is the The FA logo. The main title 'WHOLE GAME SYSTEM' is in large blue letters. To the right of the title are links for 'LOGOUT | HELP | CHARLOTTE KITELEY'. Below the title is a navigation bar with three buttons: 'All Home' (with a house icon), 'Club Secretary Mepal Sports' (with a person icon), and 'Referee Administration' (with a whistle icon and highlighted in orange). Below the navigation bar is a 'Dashboard' section with a red and white icon. The main content area is titled 'My Roles' and contains a table with the following entries:

Organisation & Role
Mepal Sports Secretary
Birmingham FA County Match Official
Kent Ref Parent CFA Registration

Referee Dashboard

The Referee Dashboard will confirm your current Registration Level, the County FA that your current Registration is associated with, and a link to Register for the following season.

The screenshot displays the 'Referee Dashboard' for Stuart Axford. At the top, the 'The FA' logo and 'WHOLE GAME SYSTEM' are visible, along with 'LOGOUT | HELP | STUART AXFORD' in the top right. Below the header, there are navigation buttons for 'All Home' and 'Referee Administration'. The main content area is titled 'Referee Dashboard' and shows the user's name 'Referee - Stuart Axford'. It lists registration details: 'You are registered as a - Level 7 - Junior Referee', 'You are registered with - Kent FA', and 'Start Referee Re-registration for 2014 - 2015'. To the right, there are three circular icons with arrows pointing left, labeled 'Registered', 'County Registration', and 'Referee Re-registration'. Below this, there are two sections: 'Match Appointments' with a link to 'Click here to add a new match/appointment' and 'Outstanding Discipline Reports' with the message 'You have no match reports to complete.'.

Underneath the Referee detail, you will see **Match Appointments** with a link to create a new record. You can either select this link, or the Match icon on the left navigation menu.

You may also note the inclusion to Start Referee Re-registration for 2014-2015. This is because the Referee Dashboard is the control console for all items relating to your role as a Referee. As more features are made available as part of the Whole Game System, any items relevant to refereeing will be hosted here.

Creating a Match

When adding Match Details, season will automatically default and will not be editable. You can use the following field to enter **your role** (dropdown), **Match Date** (date selector) and competition type.

The screenshot shows the 'Add Match Details' form within the 'WHOLE GAME SYSTEM' interface. The form includes the following fields and options:

- Season:** A text field containing '2013 - 2014' with a lock icon on the right.
- Select your role:** A dropdown menu with a downward arrow icon.
- Select The Match Date:** A text field containing 'Enter the Match Date' with a calendar icon on the right.
- Competition Type:** Three radio button options: 'My previous competitions', 'County cups', and 'League and league cups' (which is selected).
- Select From League And League Cup Competitions:** A text input field with the placeholder text 'Start typing to find a competition'.
- Save Details:** A button located at the bottom right of the form.

The interface also features a sidebar with 'Dashboard', 'Registration', and 'Match' options, and a top navigation bar with 'All Home' and 'Referee Administration' links. The user's name 'STUART AXFORD' is visible in the top right corner.

When choosing the League, please enter a minimum of 3 characters, at which point the system will populate all matching records and allow you to select accordingly.

This close-up shows the search results for the 'Select From League And League Cup Competitions' field. The search input contains 'haa' and the results list 'haart of Kent County League - Kent FA'. A 'Save Details' button is visible at the bottom right.

If you are experiencing difficulty locating a League, please note that some may have chosen to incorporate a sponsor name into the League name.

For example, if the Kent Suburban Football League were sponsored by Nike, they may have registered with Kent FA as the Nike Kent Suburban Football League (example only).

Once you have selected a League, you will then be asked to **Select the division** (dropdown). All divisions will be listed here along with the option to select **All teams in the league**.

Cautions

You can add Cautions against a record either by selecting the main **Cautions** box along the match header or by choosing to **View/Add caution reports** in the **Report summary**.
